

To Whom It May Concern,

It is my honor to write this letter in endorsement of Dr. Kosuke Fukutomi. Dr. Fukutomi spent 2 years at UCLA in the Center for Esthetic Dentistry. There he showed exceptional talent and dedication in the care of his patients. He completed many challenging cases, and continually impressed his patients and attending faculty.

As Assistant Director for the UCLA CED during Dr. Fukutomi's time at the practice, I got the opportunity to see his talents firsthand. I have seen many dentists come through this program and he continues to stand out as among the best we ever had. It is with great confidence that I can recommend the dental care provided by Dr. Fukutomi.

On behalf of UCLA, I am very proud of his accomplishments and continue to watch his future career with great interest.

Sincerely,

A handwritten signature in blue ink, appearing to read "T. Schoenbaum", enclosed within a blue oval scribble.

Todd R. Schoenbaum, DDS, FACD
Associate Clinical Professor - UCLA
Director - UCLA Continuing Education
Former Assistant Director - UCLA Center for Esthetic Dentistry
